Operator Accessible Information Regulations Support Grant Application Questions

Public Service Vehicles (Accessible Information) Regulations 2023

https://find-government-grants.service.gov.uk/apply/applicant/mandatory-questions/start?schemeId=1348

Eligibility statement

To be eligible for the grant, an operator must operate vehicles in England, Scotland, or Wales and:

1. Have 20 or fewer vehicles.
    a. not hold operating licences for more than 20 vehicles;
    b. not be a subsidiary or sister company of an operator with 21 or more public service vehicles
2. An operator can apply for funding for up to 20 vehicles. Each vehicle must:
    a. be a vehicle designed and constructed for the carriage of seated passengers only which is of category M2 or M3, as defined in Article 4 of Regulation 2018/858 of the European Parliament and of the Council of 30 May 2018 on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles;
    b. be in use for a local service, as defined in the Transport Act 1985, provided under an agreement entered into, where a railway service has been temporarily interrupted, with the person who usually provides the railway service or with a person acting for or on behalf of the person who usually provides the railway service;
    c. be designed to carry 17 or more seated passengers;

      d. not already provide both audible and visible information onboard for any of the following: (i) next stop, (ii) route or (iii) direction;

      e. and met these requirements on 8 April 2024.

3.   Applications must come directly from the operator which is applying for the funding.

Due-diligence checks

The information we ask for includes:
1. organisation legal name
2. organisation type (e.g. limited company)
3. registered address
4. Charity Commission number (if applicable)
5. Companies House number (if applicable)
6. amount of funding required
7. where the funding will be spent

Operator Details

Operator Name
     The name on your PSV Operators Licence

PSV Licence Numbers
     The PSV Licence Numbers associated with the vehicles you intend to use the grant to equip.

Number of vehicles in your fleet
     How many vehicles are in your fleet in total?

Number of vehicles in scope of the regulations
     How many vehicles in your fleet are in scope of the regulations?

Operating Areas

Local authority areas
     In which local authority areas will the vehicles you are applying for operate? Please list each on a separate line.

Proposed Supplier

Proposed supplier details
> What is the name and contact details of the company (or companies) who you are proposing to use to provide equipment, installation and year 1 maintenance?

Value of the quote
> What is the cost of the equipment, installation and year 1 maintenance you are applying for?

Quote document
> Please upload a copy of the quote from the proposed supplier.
> A scan or photo of all pages of the quote is acceptable if the original has not been supplied in a digital form.
> All content of the quote must be easily viewable and readable.

Grant

Number of vehicles being applied for
> How many vehicles do you intend to use the grant to equip?
> For example, you may already have some vehicles already appropriately equipped so are not applying for your full in-scope fleet.

Vehicle Registration Marks
> What are the Vehicle Registration Marks for the vehicles you will use the grant to assist in achieving compliance with the regulations?

Amount of grant being applied for
> How much grant are you applying for?
> This may be different to the value of the quote as the quote could include items and services that the grant cannot be used for.

Summary of equipment and services the grant will be used for
> Please tell us what the grant will be used to purchase, this should include details of the type and specification of equipment, installation and year 1 maintenance.

Grant claim form
> Please upload a completed copy of the grant claim form.
> This can be downloaded from https://rtig.org.uk/aig/apply

Subsidy self-certification form
> Please upload a copy of the completed subsidy self-certification form
> This can be downloaded from https://rtig.org.uk/aig/apply
